

Simple iPad Cover

Finished Measurements

Approximately 7" x 10" unstretched. Fits 7.5" x 9.5" Apple iPad.

Materials

- ✓ 100g (approx. 200 yds) worsted weight yarn in main colour (MC)
- ✓ 50g (approx. 100 yds) worsted weight yarn in coordinating colour #1 (CC1)
- ✓ 50g (approx. 100 yds) worsted weight yarn in coordinating colour #2 (CC2)
- ✓ 4mm straight needles, or any size needed to obtain gauge
- ✓ Yarn needle

Gauge

Approximately 22 sts x 31 rows = 4" x 4" square

Abbreviations

BO - bind off
CO - cast on
CC1 - coordinating colour #1
CC2 - coordinating colour #2
MC - main colour
st(s) - stitch(es)

Directions

CO 40 sts. Knit in stockinette st (knit odd rows and purl even rows) until piece measures 12 inches.

Change to CC1 and work for 14 rows (just under 2 inches).

Change back to MC and work for 6 rows (approximately $\frac{3}{4}$ of an inch).

Change to CC2 and work for another band of 14 rows.

Change back to MC and work until the entire piece measures approximately 19.5 inches.

BO loosely, preferably using stretchy cast-off method ([example](#) from Tiny Birds Organics). Cut yarn leaving approximately 3 feet to use for seaming the first side.

Finishing

Fold the piece in the middle to match the CO and BO edges evenly (wrong sides together). Sew side seams from the CO/BO edges down to the bottom corner to ensure that the CO/BO edges are lined up evenly.

Weave in ends. Block if desired.
